## REQUEST FOR PROPOSALS

Any interested party can view the facility and installation location by contacting Ron Neece, Fleet Manager, and scheduling a date and time. The facility physical address is 164 College Ridge Road, Cedar Bluff, VA, in the Wardell Industrial Park.

All potential vendors are required to have \$1 million general liability insurance policy and a \$3 million product liability insurance policy for equipment and installation.

Full Payment for project will be at project completion on a 30-day net. No up front payments or deposits.

All questions regarding the equipment or installation should be directed to Ron Neece at [rneece@aasc.org](mailto:rneece@aasc.org) or (276) 964-7184.

All questions regarding the bid process should be directed to Michael Bales, Director of Finance, at [mbales@aasc.org](mailto:mbales@aasc.org) or (276) 964-4915.

Request For Proposals will be hand-delivered, e-mailed out, and placed on AASC and FOUR COUNTY TRANSIT Facebook pages on Tuesday September 15, 2026.

Bids must be received by 4:00pm on Thursday October 15, 2026.

Bids can be sent to:

Appalachian Agency for Senior Citizens.  
Attn: Michael Bales  
PO Box 765  
Cedar Bluff, VA 24609

Bids can also be hand-delivered to our office at 216 College Ridge Road, Cedar Bluff, VA.

The vendor awarded the contract is required to complete the project within 90 days of Award date.

Proudly serving  
Buchanan, Dickenson, Russell, and Tazewell counties

## REQUEST FOR PROPOSALS

Bids submitted after the set deadline of 4:00 pm October 15, 2026 will not be considered.

The Appalachian Agency for Senior Citizens reserves the right to reject any and all bids and rescind the proposal for bids if it deems it in the best interest of the Agency.

If and when the contract has been awarded and signed, the vendor will be given a deadline of 90-days from the award date, to complete the project 100%.
